Mountain Valley Re-Sale Shoppe is hosting a Grand Reopening

(Mount Airy, NC) Mountain Valley Hospice & Palliative Care will host a grand reopening of their "Re-Sale Shoppe" on Saturday, September 18 at 10am at 461 North South Street in Mount Airy.

"We closed for two weeks to refresh the store's interior space and improve the layout to better feature our merchandise," said Tracey Dobson, CEO of Mountain Valley Hospice. "We want to grow our base of loyal customers by offering good items at affordable prices in an attractive setting."

The Re-Sale Shoppe is a place where shoppers can purchase new and gently used furniture, household items and clothing at a fraction of normal retail prices.

Proceeds from the Re-Sale Shoppe help support hospice care for Mountain Valley's patients who are uninsured or underinsured and in need. Additionally, store proceeds support Mountain Valley's community-focused programs including Kids Path and We Honor Veterans.

The Re-Sale Shoppe is also proud to announce a new store manager. "We are so excited to have Kelly Jennings joining us," said Dobson. "With several years of retail experience and her upbeat attitude, Kelly makes a great addition to our team. We would love if members of our community would stop by to meet her this Saturday and say hello."

The Re-Sale Shoppe is open Monday-Saturday, 10am-5pm.

ABOUT MOUNTAIN VALLEY HOSPICE & PALLIATIVE CARE

Mountain Valley Hospice & Palliative Care is a nonprofit organization providing high quality end-of-life care in 18 counties in North Carolina and Virginia. Through its team of hospice professionals and specially trained volunteers, Mountain Valley Hospice addresses the growing need for compassionate hospice care through offices in Mount Airy, Yadkinville, Elkin, and Pilot Mountain, NC; and in Hillsville; and Martinsville VA. Mountain Valley Hospice also owns and operates two hospice inpatient facilities: The Joan & Howard Woltz Hospice Home in Dobson, NC, and the SECU Hospice Care Center in Yadkinville, NC. Both offer a homelike setting for patients and families alike. The goal for both facilities is to help families be as comfortable as possible as they stay close by their loved one during this time when families are needed most.
